TEAM RULES

Punctuality

- a) **Games:** Each player must be in the dressing room sixty (60) minutes prior to game time in order to participate in a proper warm-up, to allow time to dress and to be properly briefed.
- b) **Practices:** Each player is expected to be in the dressing room at least thirty (30) minutes prior to all practices.

Ice Time

Every player (including goaltenders) will receive equitable ice time through the season. That said, equitable is not necessarily equal. Players will need to earn ice time through effort, results and adherence to team rules and coaching direction. The coaches reserve the right to shorten the bench when deemed necessary, especially if required during important tournament, regular season, and playoff games; however, every player will learn positional play and tactics in both a penalty killing and power play situation.

It is our goal to continue to develop the fundamental skills of skating, passing, and shooting in each young player.

Additionally, we will also concentrate on specific individual needs and requirements as these present themselves throughout the season.

Parental Conduct

- a) Parents are to represent the organization in a respectful manner at all times.
- b) Parents are expected to treat the referees with respect and to speak positively about all participants.
- c) Should any parent have an issue or concern with any team official, they are expected to honour the 24-hour rule before requesting a meeting.

**EMAIL SHOULD BE THE ONLY CORRESPONDENCE UTILIZED WHEN REQUESTING A TELEPHONE CONVERSATION OR IN-PERSON MEETING WITH RESPECT TO ANY CONCERNS.
